# instructions for use

**PREPARATION** Test color first on a hidden hair strand. Follow instructions for test hair strand.

**STEP 1** Wash hair and towel dry.

**STEP 2** Apply color with color brush and comb in. Do not apply to scalp or facial skin.

**STEP 3** Allow 15-30 minutes to process.

**STEP 4** Rinse thoroughly until water is clear.

**STEP 5** Dry and style hair as usual.

**TIP 1** Color result intensifies on bleached hair.

**TIP 2** Prefer pastel colors? No problem! Mix your favorite shade with color scream “Gin Tonic” or with a conditioner.

Color results vary from hair structure.

mix your own **cocktail** and make  
every hour **happy hour!**

This direct dye can be directly applied to several strands or the entire head of hair  
for a color **EXPLOSION!**
