COLOR REFRESHING CONDITIONER - MANUAL

Color refreshing Conditioner can refresh, restore and correct faded color quickly and gently.

TECHNOLOGY

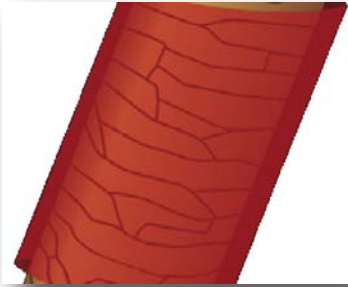

***triple value complex:
color, condition and sheen***

- Delivers cationic color molecules (positively charged). They attach to the negatively charged keratin of the hair. Result: The color nuance is intensified.

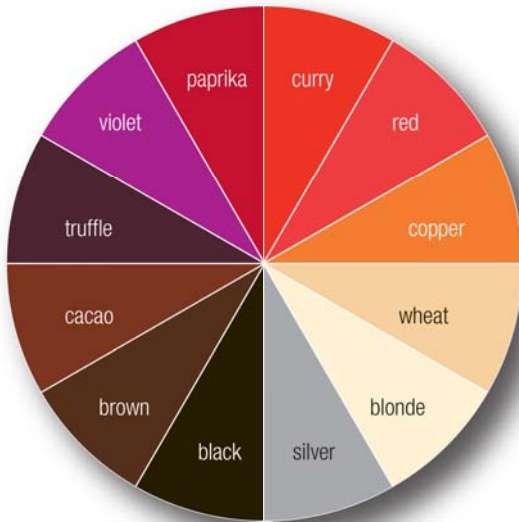

- Delivers hydrolyzed keratin and Panthenol penetrate damaged hair. Result: the hair is strengthened and moisture balance is established.

- Low pH closes and seals the cuticle layer.
Result: awesome silky shine, elasticity, and protection of the hair.

Shades: available in 12 different tones, from blonde - black

Sizes: available in 2 sizes, 200ml + 500ml

*Color refreshing without ammonia and H₂O₂!
Brilliant, long lasting color results.
Processing time: only 5 – 15 minutes.*
